Clash or Class?

(Tune: The Mulberry Bush)

Cherry Carl

Artwork: www.toonclipart.com

My classy stripes are my claim to fame,
but I'm clearly tired of wearing the same
clothes with stripes around the clock,
which shouldn't surprise or even shock!

I think I'll try a clever change
and only hope it isn't strange.

Do I have class or does it clash?

Clue me in if it looks like trash!
