Lick! Lick! Lick!

(Tune: Little White Duck)

My favorite dessert is one that is so yummy,
with great big scoops that fill up my tummy!

It's ice cream, ice cream, what a treat!

Cool and creamy and simple and sweet.

You can eat it in a cone or in a plastic dish, if you wish!

There's chocolate and vanilla, peanut butter, too.
and every now and then, a flavor that is new.

Just step right up and pick out one.

Just don't eat it when you're in the sun!

So you'd better start to lick, better make it fast.

It won't last!
